### FHA Program Matrix Extenuating Circumstances

<b>Extenuating Circumstances Defined</b>	<p>Extenuating circumstances are events that were beyond the control of the borrower, such as a serious illness or death of a wage earner, and the borrower has reestablished good credit since the foreclosure. Divorce is not considered an extenuating circumstance. An exception may, however, be granted where a borrower's loan was current at the time of his/her divorce, the ex-spouse received the property, and the loan was later foreclosed.</p> <p><b>NOTE:</b> The loss of a job and the inability to sell the property due to a job transfer or relocation to another area does not qualify as an extenuating circumstance.</p>
